ADDITIONAL INFORMATION:

1997-2005	Under my supervision two Strategic Programs for Development of Statistics of the Kyrgyz Republic were worked out and successfully implemented
2000-2005	Member of the Steering Committee of PARIS21 Consortium (PARTnership In Statistics for Development In the 21 st Century). I represent CIS and Central Asia countries in PARIS21.
2001-present	Chairman of the Statistical Society of Kyrgyz Republic which was established in 2001 and unites not only statisticians, but statisticians and users of statistics
2002	Chairman of the Council of the Heads of Statistical Services of CIS countries.
2001	On February 14, 2001 the Kyrgyz Republic has subscribed to International Monetary Fund's General Data Dissemination Standard (GDDS) and I was GDDS national coordinator for the Kyrgyz Republic.
2004	On February 26, 2004 the Kyrgyz Republic became the 57th country to subscribe to the International Monetary Fund's Special Data Dissemination Standard (SDDS). I was SDDS national coordinator for the Kyrgyz Republic.
1999	The first National Population Census was carried out in the Kyrgyz Republic in 1999. The Kyrgyz model of preparation and conduction of the first National Population Census of 1999 was highly estimated by International Organizations and Foreign Statistical Offices and the census is considered to be the best one among CIS countries. The President of the Kyrgyz Republic has awarded me the medal “Dank” (“Fame”) for successful conduction of the First National Population Census of 1999.
1998-2002	The National Statistical Committee of the Kyrgyz Republic is responsible for poverty measurement and I was personally involved in selecting and developing the methodology for conducting statistical surveys on poverty measurement that agrees with the requirements of the World Bank. The surveys serve as a basis for monitoring Comprehensive Development Framework (CDF) and Poverty Reduction Strategy Program (PRSP) in the Kyrgyz Republic. Since 2002 the National Statistical Committee, jointly with FAO experts, has been releasing “Food Security and Poverty Information Bulletin of the Kyrgyz Republic” funded by EU and I coordinate the preparation of the bulletin.

2002-2003	The first National Agricultural Census of the Kyrgyz Republic (first one in CIS countries) was successfully conducted and I personally led the team responsible for conducting this important activity.
2005-2008	Member of the Coordination Council on Science and Innovation Technology under the President of Kyrgyz Republic
2006-2008	Member of the Committee on State Awards of Kyrgyz Republic on Science and Technology
